All

We were able to dig out the mins for the month of Aug and I think Naresh did mention he would post it. Yeap. the Ajol proposal was approved. So we need not table the same again this weekend. But we do need to review ARC proposal and vote on the same. There are abt 4 proposals pending that requires our vote and consideration on.

Vamsi,

Please suggest 2 slots this weekend in the morning when I can do all the knowledge transfer to you on treasury.

I had presented the Ajol proposal and it was approved. I sent email to you all about this. Apparently no one remembers that anymore. If Asha Colorado wants to 'decide' the proposal again, you can go ahead and do that. Please bear in mind that the agency is already informed about the funding decision and has already spent their own funds (this is by the in between agency) based on our assurance to provide support in the meantime. If you decide not to fund, you will be responsible for communicating that decision.

I have provided the chapter balance information to Minu.

Please let me know the time of chapter meeting and I will try to make it. Please send me any other questions that you may have about the project.

Hi Pankaj,

It is great to hear from you. Why don't you attend this Sunday's monthly meeting? We have not touched on this project in the last 4 months and I unfortunately was not present during the August meeting. It will be a good refresher and based on the balances and other aspects we can decide.

May be we can quickly talk about the treasurer aspect then - I have sent you a few emails on it.

Thanks, Vamsee Amara
